Featured benefits

24 hour emergency assistance: 24/7 access to a team of experts with a global network of doctors, nurses and logistical staff.

Medical cover: Cover for hospital, medical, surgical, nursing, ambulance expenses and emergency dental expenses. Our medical cover also assists You to find treatment and if necessary medical evacuation.

Cancellation cover: Only pay for the cancellation cover You need. Add the level which suits You to include cover for prepaid tickets, hotels, tours or other travel related expenses.

Additional expenses: Cover for emergency accommodation and transport expenses if a disaster like a volcano, tsunami, earthquake or flood disrupts Your Journey.

Rental Car insurance excess: If You hire a car and happen to have an accident, cover is included for the Rental Car insurance excess only.

Single Trip or Annual Multi-Trip

You can choose a plan to cover one Single Trip or, for frequent travellers, an Annual Multi-Trip to cover any number of Journeys (up to the duration selected) over the next 12 months.

Frequent travellers

If You are a frequent traveller then an Annual Multi-Trip offers year round cover for Your travels provided they are to destinations over 250 km from Home.

You can choose a trip duration limit to suit Your needs for the year.

Areas of Travel

Single Trip: You will need to choose the main destination based on where You will spend the most time on Your Journey.

Annual Multi-Trip: You will need to choose the area which will cover all of Your trips for the year. If You select an international area, this also includes cover for travel more than 250 km from Home.

Note:

- If 20% or more of any Journey will be spent in the Americas or Antarctica, You must nominate the area including these countries as the main destination.

If You are travelling inbound to New Zealand You can only select an International Plan I Single Trip option, the maximum age limit is 69 years of age and there is no cover for any Existing Medical Conditions other than those We automatically include.

Travelling to New Zealand?

If You are visiting New Zealand, You can travel under Plan I, Inbound area.

Choose Your excess

When travelling internationally You can choose the excess. The higher the excess chosen, the lower the premium.

The excess will be shown on Your Certificate of Insurance and only applies in the event of a claim.

Cancellation cover

The International and Domestic Cancellation Plans do not automatically include cancellation cover however, You can add the amount of cancellation cover that suits You. Select an amount from the options available at the time of applying for cover.

The level of cancellation cover You choose will influence Your premium. Typically people look to choose an amount that will cover all prepaid travel tickets, hotels, tours or other travel related expenses for all travellers on the policy.

The level of cover You choose will be the total amount of cover available under Section 3, on a per policy basis (International Plan) and on a per person basis (Domestic Cancellation Plan) and will be shown on Your Certificate of Insurance.

Luggage

Your belongings

When You're at Home, You look after Your belongings. When You travel it should be no different. Unfortunately, many claims We see for loss or theft are caused by people being careless with their belongings. If You do not take good care of Your belongings We may not be able to pay Your claim. Not all belongings are covered by the policy.

What does this mean?

- Keep Valuables with You (where security regulations allow You to do so) rather than checking them in with the Transport Provider.
- Do not leave Valuables in a motor vehicle at any time. "Valuables" means articles made of or containing gold, silver or precious metals; binoculars; jewellery; mobile phones; photographic, audio, video, tablet computer, computer and electrical equipment of any kind (including computer games, portable navigation equipment or media); precious stones; smart phones; telescopes and watches.

- A maximum limit of \$2,000 applies to any other items left during the day in the boot of a locked motor vehicle. Also, don't leave items in a motor vehicle overnight as they are not covered.
- Report any loss or theft to the police within 24 hours as an original police report is required for any claim involving loss or theft.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (PI.R) is also required if Your items were lost or stolen when travelling with an airline.

Increase Your luggage item limits

The following limits apply to any one item, set or pair of items (including attached and unattached accessories):

	Cameras and video cameras	Laptop and tablet computers	Other items
International Plan I	\$3,000	\$3,000	\$1,500
Domestic Plan D	\$500	\$500	\$500

For items which are valued higher, You may increase these limits (on a per item basis) by paying an additional amount. Please ask for a quote.

Receipts or valuations (less than 12 months old) must be available if requested by Us.

Activities included in Your cover

We know that not all travellers enjoy the same activities whilst travelling so We have a comprehensive list of activities which are covered while You are on Your Journey.

Our Plans automatically include:

- Abseiling
- Archery
- Ballooning
- Bungy Jumping
- Flying Fox
- Horse Riding
- Jet Boating
- Jet Skiing
- Kayaking
- Paragliding
- Parasailing
- Skydiving
- Snorkelling
- White Water Rafting
- Working Holidays

Your participation in any of the activities listed is subject to the terms of cover and in particular General exclusion 27 on page 55 and Section 16 Personal liability exclusions 3 and 4 on page 51.

Motorcycle/moped riding

You may wish to hire a motorcycle (including a moped) as the driver or a pillion passenger during Your Journey. If You choose to do so You will only be covered if:

- whilst in control of a motorcycle or moped You hold a valid New Zealand motorcycle licence or New Zealand motor vehicle driver licence, and a licence valid in the relevant country;
- whilst You are a pillion passenger the driver holds a licence valid in the relevant country;
- the engine capacity is 200cc or less;
- You are wearing a helmet;
- You are not participating in a Professional capacity; and
- You are not racing.

Note: No cover will apply under Section 16 Personal Liability. This means You are responsible to pay costs associated with damage to the motorcycle, moped or property or injury to another person.

Add snow skiing, snowboarding and snowmobiling

Claims involving participation by You (during the Journey) in snow skiing, snowboarding or snowmobiling are specifically excluded from this policy.

If You wish to be covered for these activities during Your Journey, You must pay an extra premium. Please ask for a quote.

Even if You pay the extra premium, You will only be covered if:

- You are skiing or snowboarding On-Piste;
- You are not racing; and
- You are not participating in a Professional capacity.

Extending Your Journey

If You wish to be insured for longer than the original period You need to purchase a new policy with Us prior to the expiry date shown on Your original Certificate of Insurance. It is not an extension of the previous policy.

It is important to note that should a medical condition present itself prior to the time of issue of the new policy, it may be considered an Existing Medical Condition under the new policy and therefore may not be covered by the new policy. Purchasing a longer duration policy up front may avoid this risk.

Note: Restrictions on durations may apply.

Money back guarantee

If You cancel this policy for any reason within the cooling off period which is within 15 working days (excluding public holidays) of the date of purchase, We will give You Your money back.

Our money back guarantee ensures a refund of the entire premium unless You have already:

- made a claim under the policy; or
- departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact Us within the cooling off period. If You wish to cancel or amend Your policy please contact Us.

Travel and Health

Do You have an Existing Medical Condition?

Claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

What does this mean?

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

Assessing Your health

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

Existing Medical Conditions We need to assess

If Your condition:

- does not meet the criteria above;
- You have one or more conditions which are not listed in the table of conditions we automatically include; or
- a combination of both the above points

You will need to complete an online health assessment by declaring all Your Existing Medical Conditions to Us.

To be clear, the conditions We automatically include only apply if You do not have other Existing Medical Conditions beyond those on this list.

Completing a health assessment

You can complete an online health assessment with Your consultant or by using a web link Your consultant can give You. You may also call 0800 500 425 or email amitravel@covermore.co.nz for assistance.

- You'll need to have sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.

For example, We need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure.

- Check all Existing Medical Conditions have been disclosed to Us.
- We will provide Your assessment outcome and a number.
- If We can approve Your health assessment, You must pay an extra premium.
- An approval number for this cover will then be listed on the Certificate of Insurance We give You. Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance or separately advised to You in writing.

Conditions to pay particular attention to

Chronic lung conditions

If You have a chronic lung condition*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

Reduced immunity

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims directly or indirectly arising from or exacerbated by the underlying medical condition or a new infection.

What does this mean?

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azothiaprime or high dose steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

Other Existing Medical Conditions which cannot be covered

Under no circumstances is cover available on this policy for claims directly or indirectly arising from or exacerbated by:

- Your Terminal Illness;
- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment, even if Your Existing Medical Condition has been approved; or
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

Travel and the health of other people (non-traveller)

When booking a trip and buying travel insurance please carefully consider the health of loved ones not travelling with You.

We can only consider claims by You arising from the health or death of a Relative or Your business partner who are not travelling with You if at the Relevant Time that person:

- had not been hospitalised in the previous 2 years for a condition that was directly or indirectly arising from or related to the condition that caused the claim;
- did not reside in a nursing home or require similar home care assistance;
- was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
- did not have a drug or alcohol addiction; and
- did not have a Terminal Illness.

Claims caused by the health of other people (those people not listed above) are not covered by the policy.

Pregnancy

Are You pregnant?

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

Relevant Time in respect of:

- a) Single Trip policies means the time when the policy is issued.
- b) Annual Multi-Trip policies, means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

Please complete additional questions in an online medical assessment in order to determine eligibility and obtain a quote. If You have any questions about the online assessment or prefer to talk with a customer service agent, please call 0800 100 200 or email amitravel@covermore.co.nz for assistance. If cover is accepted by Us, an additional premium will apply.

Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

What does this mean?

Expectant mothers should consider if Our products are right for them when travelling after 23 weeks and 6 days gestation as costs for childbirth and neonatal care overseas can be expensive.
