

## Easy, hassle-free furniture donation

Find a new home for your unwanted items with ease, while supporting your local Habitat ReStore!

If you have unwanted furniture that you don't know what to do with, you could donate it to Habitat for Humanity. They'll arrange collection at a time that suits you, so you don't need to lift a finger.

Simply call your local ReStore team member to pick up your item at your convenience. **See the table on page 2 for your local contact.**

Did you know that your used item would help to support Kiwi families in housing need? We have partnered with Habitat for Humanity in New Zealand to help them continue their important work ensuring Kiwis have access to warm, healthy and dry housing. Their aim is to change the lives of 75,000 Kiwis, living in sub-standard housing, over the next three years. So, by donating your good quality, pre-loved items, you're helping to fund their local housing programmes.

To learn more about the work you would be helping to support, visit: [www.habitat.org.nz](http://www.habitat.org.nz)

Please note that Habitat **can't accept**:

- Mouldy, water damaged, severely cosmetic or structurally damaged – furniture, upholstered items, mattresses or bed bases.
- Appliances and whiteware with severe rust or without a power cord.
- Gas appliances.

With the support of Kiwis, Habitat for Humanity can help families to help themselves. If you're interested in getting involved, why not consider [volunteering](#) or [donating](#) today! There are so many ways to support the worthwhile work Habitat for Humanity do.

With thanks,

**The AMI team and Habitat for Humanity New Zealand**
